For Immediate Release:

Graham-Field Introduces HealthTeam® 60-Second Digital Disposable Bulk Thermometer

May 14, 2010 • Atlanta, GA:

Graham-Field is proud to introduce the HealthTeam® 60-Second Digital Disposable Bulk Thermometer Model 1858, whose features include:

- Temperature measurement in a minute or less
- Convenient small size (5" x .71" x .31") and light weight (approximately .35 oz)
- Memory of last measured value
- Auto shut-off after ten minutes of non-use
- Thermometer life of approximately 200 hours
- Convenient bulk packaging:
1858, 24/bx (shown at right) or
1858CASE, 240/cs

Each Thermometer includes nonreplaceable battery, storage case, and instruction manual.

GF Health Products, Inc., headquartered in Atlanta, GA, is a major manufacturer and distributor of healthcare products for the homecare, long term care, primary care, and acute care markets. Its products include medical/surgical products, diagnostics, respiratory products, patient room products, manual and power wheelchairs, homecare and long term care beds, and specialty seating products.
