**For Immediate Release:**

**Graham-Field Introduces the John Bunn® Optium™ Oxygen Concentrator**

**November 3, 2008 • Atlanta, GA:**

Graham-Field is proud to introduce the **Optium Oxygen Concentrator** by **John Bunn**, the gold standard in respiratory products for more than sixty years. The Optium, shown at right, is one of the most efficient, quietest, lightest-weight 5-liter oxygen concentrators on the market today. The Optium has been designed with optimal convenience and portability in mind, for patient and provider alike. Features include:

- Exclusive luggage handle that extends for portability and retracts fully during use (see inset)
- Intuitive control panel with LED status indicators, informative LCD, and easy-read ON/OFF switch and flowmeter knob
- Time-based oxygen delivery system that outperforms pressure-based systems
- Audible alarms for power failure, PCB failure, high or low oxygen pressure, and low oxygen purity
- Convenient small footprint: 14" x 13" x 21"
- Low weight: 33 lb
- Extremely quiet operation: less than 45 dBA
- Available with and without OPI (Oxygen Percentage Indicator)
- Self-diagnostic electronics that simplify service and troubleshooting time
- Low maintenance + low power consumption = lower operating costs

Graham-Field, headquartered in Atlanta, GA, is a major manufacturer and distributor of healthcare products for the homecare, long-term care, primary care, and acute care markets. Its products include respiratory products, medical/surgical products, diagnostics, patient room products, homecare and long-term care beds, manual and power wheelchairs, and specialty seating products.

Graham-Field and John Bunn are registered trademarks, and Optium is a trademark, of GF Health Products, Inc.
