SAFETY GUIDELINES - PLEASE READ BEFORE USE

⚠️ WARNING: Important: Read and understand these instructions before assembling or using the Instrument table. Ensure that the Instrument table is assembled as described in the following paragraphs before use. If the Instrument table is not properly installed, personal injury and property damage could result.

⚠️ WARNING: If components are damaged or missing, contact your Graham-Field® authorized distributor immediately. DO NOT use substitute parts.

⚠️ WARNING: GF Health Products, Inc. assumes no responsibility for any damage or injury caused by improper assembly or use of this product.

UNPACKING

1. Check for obvious damage to the carton or its contents. If damage is evident, please notify the carrier and your Graham-Field® authorized distributor.

2. Remove all loose packing from the box. Carefully remove all the components from the carton.

ASSEMBLY

Tools needed (provided): Wrench, hex key

Base assembly

1. Use the wrench to remove the bolt and lock washer from the lower stand rod.

2. Insert the lower stand rod into the base collar as shown at right.

3. To secure the lower stand rod to the base, install the lock washer and bolt up through the bottom of the base as shown at right. Use the provided wrench to tighten the bolt until secure.

Upper assembly

1. Remove the plastic cap from the end of the tray rack arm.

2. Position the expanding connector on a flat surface with the O-ring oriented toward the tray rack arm as shown at right. Slide the expanding connector into the upper stand rod. Align the expanding connector threaded hole with the upper stand rod cutout, and the expanding connector pin in upper stand rod hole, as shown at lower right.

3. Insert the hex key into the expanding connector’s threaded hole and turn it clockwise to expand the connector, creating a snug fit inside the upper stand rod.

4. Remove the O-ring from the expanding connector; if necessary, use the hex key to pry it off carefully.
5. Insert the hex key into the expanding connector’s threaded hole and turn it counter-clockwise a little bit at a time until the tray rack arm barely fits over the expanding connector.

6. Slide the tray rack arm over the expanding connector. Align the expanding connector threaded hole with the tray rack arm cut-out, and the expanding connector pin in the tray rack arm hole, as shown at lower right.

7. Once aligned as described, insert the hex key into the expanding connector’s threaded hole and turn it clockwise until the assembly is snug and both pins are protruding from their holes.

8. Position the base upright.

9. Install the assembled tray rack in the lower stand rod.

10. Install the height adjustment knob in the threaded hole at the top of the lower stand rod (as shown in picture at top of previous page).

11. Place the tray on the tray rack arm. Adjust tray to ensure that it is completely seated and balanced on rack.

⚠️ **WARNING:** Ensure that Instrument table is securely assembled as instructed above before use.

**OPERATION**

**Height adjustment**

To adjust height: Turn height adjustment knob counter-clockwise, raise or lower tray to desired height, then turn height adjustment knob clockwise to secure. Instrument table height is adjustable between 31 and 50 inches (79 and 127 cm).

**MAINTENANCE**

⚠️ **WARNING:** Check Instrument table frequently during use to ensure that all components are securely assembled and that height adjustment knob is securely tightened.

**Cleaning**

1. To clean: Gently wipe the instrument table with a soft, clean, damp cloth.

⚠️ **Caution:** Do not use cleansers that may damage the instrument table's finish.

2. To wash more thoroughly: Clean with mild soap and water.

3. Dry with a soft, clean cloth.

**LIMITED WARRANTY**

GF Health Products, Inc. warrants the GF1843 Mayo-Type Instrument Table against manufacturer’s defects for one year. During the warranty period, defective items will be repaired or replaced at GF Health Products, Inc. option. Warranty does not include any labor charges incurred in replacement part(s) installation or any associated freight or shipping charges to GF Health Products, Inc.

GF Health Products, Inc. is not responsible for typographical errors. Packaging, warranties, products and specifications are subject to change without notice. Graham-Field and Grafco are registered trademarks of GF Health Products, Inc.
