Dark Blue: 305093 / RGB: 48,80,147 / CYMK: 99,78,9,1

“Prop 65” are applicable to the products in question and whether your company is complying with those warning requirements for the chemicals contained within these products.

The warning requirements are very difficult to resolve. If your company intends to introduce Spradling vinyl products into commerce in California, Spradling recommends that you take steps to confirm whether the warning requirements of California’s

1. Remove excess spill with a damp cloth. Clean with a 1:1 mix of Ivory liquid soap and water.NFAC -Class I rinse with clean water and dry.
2. Use a straight application of concentrated cleaners such as Formula 409 or Fantastik® spray cleaner Wipe with a clean cloth rinse with water and dry.
3. Use a 1:1 mix of ammonia and water or a 1:4 mix of bleach and water.Rinse with clean water and dry.
4. Use a straight application of naphtha (lighter fluid). Rinse thoroughly with clean water and pat surface dry.
5. Use a 1:1 mix of isopropyl alcohol and water. If the stain persists, use straight alcohol. Rinse thoroughly with clean water and pat dry.

Note: for cleaning that requires steps 4 or 5, use a soft cotton cloth saturated with the cleaning material and rub the stain in circles 10 times. Pat dry with another soft cotton cloth and check the results.

The information published in this care guide refers to the performance of Permalux® products in specific tests conducted under laboratory conditions. Results may vary under actual conditions.

This information is not a guarantee and does not relieve the user from the responsibility of the proper and safe use of the product and all cleaning agents. The use of certain agents can be harmful to the surface appearance and lifespan of vinyl. Spradling recommends agents and assigns no responsibility resulting from the use of such cleaning agents to the vinyl.

Certain clothing and accessory dyes (such as those used in denim jeans) may migrate to lighter color. This phenomenon is increased by humidity and temperature and is irreversible. Spradling International, Inc. will not assume responsibility for dye transfer caused by external contaminants. Please check compatibility when using this product in combination with painted or varnished surfaces.

Formula 409® is a registered trademark of the Clorox Company® Fantastik® is a trademark of DowBrands Inc. Trademark of the Dow Chemical Company® Permalux® is a trademark of Procter and Gamble®
