

## CASEGOOD ADVANTAGES

# 3DL SERIES

The Basic American Premium 3DL casegood collections are constructed of high performance surfaces that provide greater resistance to moisture and bacterial penetration. 3DL is more resistant to denting, cracking, scuffs and chipping. Custom sizes to fit your space or mandated requirements are available to ensure your project meets state guidelines and regulations.

Basic American 3DL Casegoods are made in the USA and are backed by an 8 year warranty.

### Quality Craftsmanship Details:

- Modern CNC manufacturing with CAD/CAM design ensures quality control
- Dowel and cam construction for extended durability
- Rounded edges reduce injury
- Drawer stops for safety
- Angled metal drawer slides are tested at 100-pound drawer capacity
- Cross braces between the drawers and Full bottom board on all units added strength
- Ventilated backs promote air flow
- Smooth floor guides for ease of movement
- Wardrobe floor guides are adjustable for leveling the unit to uneven surfaces
- Wardrobe doors are adjustable
- European style hinges offer superior strength
- Doors can be removed without removal of hinges from either door or cabinet
- Hidden door hinges offer a full 110-degree swing and are self-closing
- Cabinet locks available for added security
- Replaceable drawer fronts
